

DAMZ Inc / ALPHA KART USA 2018 Contingency Purse Program.

The 2018 DAMZ Inc. / **ALPHA KART USA** Contingency Purse Program, is a first in the world of Karting! This program truly has been designed to help support drivers in the sport of karting all the way from grassroots club racing, at club events all across the country, up to the Pro racer at National events. Simply, this program gives competitive racers an opportunity to win serious manufacturers contingency money for winning on our chassis! Regardless of the level you are at, if you are winning on an **ALPHA KART** chassis you are also winning **\$\$\$!**

NATIONAL EVENTS WILL PAY FROM \$ 1,250 to \$ 3,000 to win, REGIONAL RACES WILL PAY from \$ 750 to \$1,250 to win and CLUB RACES WILL PAY \$ 250 to win!

During 2017, between Yamaha, Honda & Suzuki alone, their motorcycle contingency program offered up over \$ 20,000,000 in contingency money for riders competing just in the USA! That helped a lot of racers race! We are fed up watching drivers spending thousands just to compete for a \$10 trophy. DAMZ Inc. / **ALPHA KART USA**, hope to help change this with our driver focused Contingency Purse Program! We believe that this will help grow our sport and change the way we compete!
